

Current Non-compliance Protocol for Sewer-Serviceable Properties

Total sewer-serviceable properties: 112

TWWD Abutter: 46

On hold for future project: 23

Interceptor Abutter: 17

On hold for asset transfer: 15 (no betterment to collect)

Fall River Abutter: 7

Pilot Connection: 2 (In process of connecting)

Private Abutter: 2

1. Public meeting for the total 46 abutters to advise that we will honor the \$2,700 betterment fee of record if permitting is initiated within the next 6 months. If no permits are initiated within the 6 months following the meeting, the property owners will be subject to the new enforcement policy, which will be covered at the meeting. The District will also provide resources to aid in financing connection, if needed at this meeting and subsequently upon any request for help.
2. Notice of Non-Compliance sent to anyone who has not filed for connection permits within 180 days and enforcement of Mandatory Connection Non-Compliance Policy as set forth on July 22, 2019.

THIS POLICY WAS VOTED ON AND APPROVED BY THE BOARD OF DIRECTORS
JULY 22, 2019
